Currently, only Claims 33-36 are pending. As indicated in the Office Action dated 04/06/2006, these claims include allowable subject matter. In this amendment, Applicant has rewritten Claims 33-36 in independent form including all of the limitations of the base claim and all intervening claims.

Allowable Subject Matter

Claims 33-36 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 33-36:

The prior art fails to disclose or suggest the combination of limitations recited by the claims. More specifically, the prior art fails to disclose or suggest the specific rules of ORAL that are recited in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
